SALS FOR LEADERS

Sals for leaders is a **confidential** sub-support group which has been set up to offer equivalent peer to peer support for any manager in the Trust, or those who are acting up into those roles.

The SALS Advisors who will take on this additional role are all working as managers and are SALS Trained.

They will provide confidential advice and support, a listening ear or signposting to support services in or outside of WMAS.

We can deal with personal or work-related problems.

To request support please email:

SALSFORLEADERS@WMAS.NHS.UK

Your email will be picked up initially by one of the SALS Coordinators, then they will either offer support or disseminate to one of the SALSFORLEADERS Team
